

CRACK THE CODE

Starting with G (printed for you) write the letters of the scale in each box. This will be your code-breaker! Use the numbers of the scale tones to decipher the song. Follow the directions listed below.

G									
W	W	H	W	W	W	H			
1	2	3	4	5	6	7	8		

1. Draw a treble clef sign at the beginning of each staff.
2. Draw a whole note above each number on the line or space it represents.
3. Draw a 4/4 time signature after the treble clef sign on the first staff.
4. Change the whole notes to the correct note value that follows the rhythm pattern of this tune.
(Remember the stem rule)
5. Draw bar lines after every 4 beats. Draw a double bar line at the end of the last staff.
6. Play the melody you just notated! What is it called? _____

1 1 5 5 6 6 5 4 4 3 3 2 2 1

5 5 4 4 3 3 2 5 5 4 4 3 3 2

1 1 5 5 6 6 5 4 4 3 3 2 2 1
